The Arizona Department of Transportation (ADOT) is hosting public open house meetings Feb. 19 and 21 to share design plans with the public for the interim segment of Loop 303 from Happy Valley Parkway to Interstate 17. This project, which is scheduled to be constructed beginning in summer 2009, will initially be built as an interim four-lane roadway from Happy Valley Parkway to I-17 until the estimated completion of the full six-lane freeway in 2017.

The project is one element of the Regional Transportation Plan for Maricopa County, a comprehensive program of voter-approved transportation improvements through 2025.

Both meetings will be held in open house format, where study information in the form of maps and displays will be available for viewing. Representatives from the ADOT design team will be present to answer your questions on a one-on-one basis after the formal presentation. The same information will be provided at both meetings.

For additional technical and project information, or to submit comments in writing, please contact Brock Barnhart c/o Northwest Corridor Community Outreach Team at 1146 N. Mesa Drive #102-298, Mesa, AZ 85201.
